

## Objects that can be recycled or reused

### Glass bottle

- Recycling/Reusing possibilities:
- Reuse: By washing it thoroughly.
- Recycling: Dispose of it in the green container.

### Cardboard box

- Recycling/Reusing possibilities:
- Reuse: It can be used to store things.
- Recycling: Dispose of it in the blue container.

## Objects that are disposable or have no current reuse method

### Plastic toothbrush

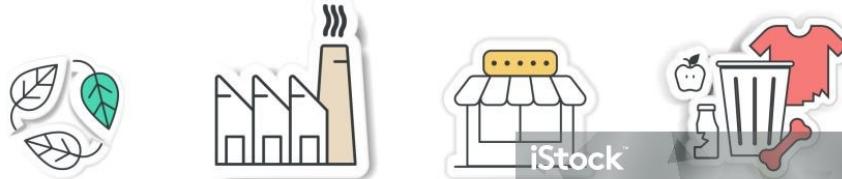

- Reason why it cannot be recycled:  
It is made of several types of plastic that are difficult to separate.
- Final destination:  
It should be thrown in the gray container.

### Disposable pen

- Reason why it cannot be recycled:  
The materials are integrated into small parts that cannot be separated.
- Final destination:  
Gray container.
